Steps to Become part of Beekman Day Camp's Leadership Programs

9th-12th Graders and Parents/Guardians

Thank you for your interest in our Leadership Programs; they are an opportunity for our oldest campers to continue to be a part of camp, and to obtain some leadership skills for the work world. There is limited enrollment and they are selective. Our Program is unique among Recreation Department camps in that it hires a Leadership Coordinator to facilitate leadership development in our oldest campers before they leave us for the world of work. The program is SELECTIVE and interested youth must apply and be accepted into the program BEFORE registering for camp. It is also progressive starting with LIT, and moving to CIT.

LIT (Leader in Training) Must attend a minimum of 4 weeks to complete program offers General Leadership Training. LITs spend most of their time with their peers in leadership training & team building activities. They do some planning and presenting to younger campers, and some observing of camp groups. All interactions are followed by peer discussion of the experience.

CIT (Counselor in Training) Must attend a minimum of 4 weeks to complete program offers General Camp Counselor Training/Interning. CITs spend an increased amount of time interning with Counselors and specific groups of campers. In addition CITs participate in a daily workshop with their peers for reflection and debriefing their experiences.

Any camper who was a **"Counselor Apprentice"** last year will start the program as an LIT to benefit from the workshops that were missed last summer, but will receive a \$100 discount to recognize the work they put into camp in 2021.
