

How to Teach

1. Get their attention
 - a. How???

2. Introduce yourself

3. Find out about them
 - a. What do you want to know about them?

 - b. How do you ask it?

4. Introduce the activity

5. Explain & DEMONSTRATE
 - a. If complicated, show a part at a time

6. Practice with them/review

7. Work the group to be sure they understand

8. LBE (Lead by Example): you play and look like you're having fun too!

9. STOP the activity while they are still having FUN☺
