Learn how Local Governments can work together:

Welcome ~~XXXXXXXXXX~~ to NYMIR Online University!

NYMIR's mission is to provide the most comprehensive insurance and risk management programs for its member local governments. In order to support our members and facilitate the training and education designed to reduce the frequency and severity of claims that result in higher premiums from poor loss experience, we are pleased to offer this online training resource.

Our university features online courses carefully selected and tailored to address the needs of NYMIR Subscribers. Simply click on a link appropriate to your occupation or need to view the courses available. Each course is interactive, you will be able to track your own progress, and when finished, you may print a Certificate of Completion.

NYMIR's E-University Law Enforcement courses can be used by an agency towards their annual in-service training requirements as part of the accreditation process.
