Steps to Become part of Beekman Day Camp's Leadership Program

9th-12th Graders and Parents/Guardians

Thank you for your interest in our Leadership Programs; they are an opportunity for our oldest campers to continue to be a part of camp, and to obtain some leadership skills for the work world. There is limited enrollment. Our Program is unique among Recreation Department camps in that it hires a Leadership Coordinator to facilitate leadership development in our oldest campers before they leave us for the world of work.

We are combining the programs this year to make one cohesive leadership program. This program offers General Leadership Training. Leadership participants spend part of the day interning with Counselors and specific groups of campers. In addition participate in a daily workshop with their peers for reflection and debriefing their experiences.

Please follow the steps below to apply and register

1. Candidate should complete the 2-page application including checking off and committing to an orientation/informational meeting on the second page
